

IGERT: Indoor Environmental Science and Engineering – An Emerging Frontier APPLICATION FOR STUDENT AFFILIATE PROGRAM

This form is intended for undergraduate and graduate students who wish to become IGERT affiliates. IGERT affiliate students do not receive any direct funding from the IGERT program, but receive all of the other benefits afforded to IGERT Trainees. These include invitations to special functions, participation in professional development events, highlights on the IGERT website, etc. IGERT affiliate students might choose to apply to be IGERT Trainees once they meet the qualifications required for such application (Ph.D. student, etc.). IGERT affiliate students need not be U.S. citizens or permanent residents of the United States.
